that certain taluks have got more than fifty miles and they have exceeded the 50-mile limit.

Mr. SPEAKER.—Would the Hon'ble Minister kindly consider whether it will be possible for him to get the break up for 350 lakhs district-wise and also the mileage of 10,861 districtwise? Because the next question, No. 69, also deals with this. If the Hon'ble Minister feels that he can get information tomorrow, I will hold over these questions till tomorrow.

Sri VEERENDRA PATIL.—May I submit, Sir, so far as mileage tackled district-wise is concerned, figures are available with me. But the break-up *re* : amount spent I do not have with me now. If they want now what is the mileage tackled in each district, I am in a position to give.

Mr. SPEAKER.—Even with regard to 350 lakhs, it should not be difficult.

Sri VEERENDRA PATIL.—District-wise figures are not with me, Sir. I will furnish the same to-morrow.

Mr. SPEAKER.—Then I take it that the questions 20 and 69 may be held over for tomorrow.

The next question namely, Q. No. 96, also deals more or less with the same subject. Does the Hon'ble Minister feel that it should also be clubbed with held over these questions?

Sri VEERENDRA PATIL.—Yes.

Mr. SPEAKER.—Then that question also will be held over for tomorrow.

Starting of a Fertiliser Factory in South Kanara District.

*Q.—62. Sri A. KRISHNA SHETTY (Mangalore II).—

Will the Government be pleased to state :—

(*a*) whether they have decided to start a Fertiliser Factory in the South Kanara District ;

(*b*) the details of the factory like outlay, capacity, etc., may be furnished ;

(*c*) when will the factory start production ?

A.—Sri K. MALLAPPA (Minister for Industries and Commerce).—

(*a*) Government are not starting a Fertiliser Factory ; but they have recommended the starting of a Fertiliser Factory at Mangalore in South Kanara District, in the private sector.

(*b*) The Government of India have informed the private sponsors, M/s. Shaw Wallace and Co. Ltd., Calcutta, that they are prepared to grant a licence to them subject to certain conditions. The details asked for would be available after the scheme is finalised and the necessary license granted.

(*c*) The period within which the factory would go into production would be known after the license is granted by the Government of India.

ಶ್ರೀ ಎ. ಕೃಷ್ಣಶೆಟ್ಟಿ.—ಈ ಫರ್ಟಿಲೈಜರ್ ಫ್ಯಾಕ್ಟರಿ ಪ್ರಾರಂಭ ಮಾಡುವುದಕ್ಕೆ ಎಷ್ಟು ಹಣ ಖರ್ಚಾಗಬಹುದೆಂದು ಅಂದಾಜಿದೆ ?

†ಶ್ರೀ ಕೆ. ಮಲ್ಲಪ್ಪ.—ಸಾಧಾರಣವಾಗಿ 27 ಕೋಟಿ ರೂಪಾಯಿಗಳ ಅಂದಾಜಿದೆ.

ಶ್ರೀ ಎ. ಕೃಷ್ಣಶೆಟ್ಟಿ.—ಈ ನಿಯೋಜಿತ ಫ್ಯಾಕ್ಟರಿಯನ್ನು ಎಲ್ಲಿ ತೆಗೆಯುವ ಅಂದಾಜಿದೆ ?

ಶ್ರೀ ಕೆ. ಮಲ್ಲಪ್ಪ.—ಕಮಿಟಿಯವರು ಇದನ್ನು ಮಂಗಳೂರಿನಲ್ಲಿ ಪ್ರಾರಂಭಿಸುವುದಕ್ಕೆ ಶಿಫಾರಸು ಮಾಡಿದ್ದಾರೆ.

Sri ANNA RAO GANAMUKHI.—May I know the assistance promised by the Government for this private party?

Sri K. MALLAPPA.—The matter is still under consideration. We have not yet promised anything because he has not been able to obtain the license. The matter will be considered after the licence is obtained.

Sri B. D. JATTI.—It may not be in the private sector, Sir. If it is in the private sector, is it necessary for the Government to give any financial assistance ?

Sri K. MALLAPPA.—It is in the private sector, Sir.

Sri ANNA RAO GANAMUKHI.—What arrangement has been made to supply the required power for this factory ?

Sri K. MALLAPPA.—Power will be supplied after Sharavathi Project is completed.

Sri GANJI VEERAPPA.—Is there any assistance from the Central Government for this ?

Sri K. MALLAPPA.—There is no Central assistance. It will be done with foreign collaboration.

Sri C. J. MUCKANNAPPA.—What is your interest in the factory that is to be started?

Sri K. MALLAPPA.—The interest is, fertilizers manufactured will be available for the people of the State. Secondly, the factory will be located in the State.

Sri C. J. MUCKANNAPPA.—I want to know what is your financial interest?

Sri K. MALLAPPA.—We have not made any financial commitment.

Sri R. DAYANANDA SAGAR.—Who is this foreign collaborator?

Sri K. MALLAPPA.—Dutch State Mines.

Sri S. SHIVAPPA.—What is the quantity of fertilisers imported into the State to fulfil the necessity of the State?

Sri K. MALLAPPA.—I can give figures relating to the proposed manufacture. I do not know how many tons of fertiliser is imported now. It is a new question.

Sri S. SHIVAPPA.—Government should have information about the present imports, so that they can know to what extent they can make the State self-sufficient in fertiliser with the erection of the factory in question.

Sri K. MALLAPPA.—We are not self-sufficient. That is the reason why we are interested in having the factory here.

Sri C. J. MUCKANNAPPA.—May I know the productive capacity of this plant?

Sri K. MALLAPPA.—The requirements will be according to the technical committee:

85,000	tons of urea
1,32,000	tons of ammonium phosphate
70,000	tons of ammonia.

Sri G. VENKATAI GOWDA.—Have the Government felt the need or necessity for starting a few more fertiliser factories in the State?

Sri K. MALLAPPA.—The difficulty is about power here. This has to be seen whether after the completion of this fertilizer factory, there is still need for having some more factories.

ಶ್ರೀ ನ ಬ್ಯಯ್ಯ ನಾಯಕ್.—ಯಾವ ಯಾವ ಕಚ್ಚಾ ವಸ್ತುಗಳು ಎಲ್ಲಿ ಸಿಕ್ಕುತ್ತವೆ?

Sri K. MALLAPPA.—Naptha from Bombay; rock phosphate and pyrites from Middle-East countries.

Sri C. J. MUCKANNAPPA.—I want to know the capacity of the plant which is going to be erected there.

Sri K. MALLAPPA.—Details are not yet known, Sir.

Sri C. J. MUCKANNAPPA.—Before recommending for licence, don't you take into consideration all these points?

Sri K. MALLAPPA.—We have indicated our requirements.

Mr. SPEAKER.—Does not the application made by the concerned person, indicate this point?

Sri K. MALLAPPA.—They only say, one lakh tons of ammonia.

Sri S. SHIVAPPA.—Is it going to meet all our requirements?

Sri K. MALLAPPA.—One lakh tons means a huge quantity.

Sri G. VENKATAI GOWDA.—If it is not enough, why not the Government think of starting one factory in the public sector?

Sri K. MALLAPPA.—It is the industrial policy. According to that policy, we are going to give it to the private sector.

Sri S. SHIVAPPA.—What is the extent of foreign collaboration so far as the share capital is concerned and out of the profits, what is the amount that goes out of India to foreign countries, mean, distribution of profits?

Sri K. MALLAPPA.—These are all things which are not yet known. Details are not available.

Sri ANNA RAO GANAMUKHI.—May I know the estimated outlay with regard to this factory?

Sri K. MALLAPPA.—I have already said that it is twenty-seven crores.

Sri T. R. PARAMESWARIAH.—Was there any representation from the people of South Kanara that the industry should be located at Mangalore?

Sri K. MALLAPPA.—No. There was a technical committee appointed by the

Government of India-Kane Committee. They have recommended Mangalore as the most suitable place for starting this factory.

Sri T. R. PARAMESWARIAH.—Was there any representation from the people of Shimoga in this matter?

Sri K. MALLAPPA.—I understand that some places in Shimoga district were examined and they were not found suitable.

Sri GANJI VEERAPPA.—Do the Government intend to purchase any share in the company and if so, what percentage of the capital invested?

Sri K. MALLAPPA.—That question has to be considered yet.

Sri C. J. MUCKANNAPPA.—May I know the ingredients of the Report of the Kane Committee which made this recommendation to start the plant at Mangalore?

Sri K. MALLAPPA.—Mangalore is a port where rock-phosphate could be secured from Middle-East. Naptha can be got from the sea from Bombay. These are two main considerations.

1-30 P.M.

Sri ANNA RAO GANAMUKHI.—May I know the amenities that have been promised to this company while recommending its case to the Government of India?

Sri K. MALLAPPA.—Facilities such as land and power.

ಶ್ರೀ ಎಸ್. ಎಂ. ಕೃಷ್ಣ.—ಈ ಕಾರ್ಖಾನೆಯನ್ನು ಪ್ರಾರಂಭಿಸುವುದಕ್ಕೆ ಮುನ್ನ ಏನಾದರೂ ಷರತ್ತುಗಳನ್ನು ಕಂಪೆನಿಯವರಿಗೆ ಇಂಡಿಯಾ ಸರ್ಕಾರದವರು ಹಾಕಿದ್ದಾರೆಯೇ?

ಶ್ರೀ ಕೆ. ಮಲ್ಲಪ್ಪ.—ಹೌದು, ಕೆಲವು ಷರತ್ತುಗಳನ್ನು ಹಾಕಿದ್ದಾರೆ.

Sri S. M. KRISHNA.—What are those conditions?

ಶ್ರೀ ಕೆ. ಮಲ್ಲಪ್ಪ.—ಫಾರೆನ್ ಕೊಲಾಬೊರೇಟರ್ಸ್‌ಗೆ ಶೇಕಡ 40ಕ್ಕೂ ಕಡಮೆ ಇರತಕ್ಕದ್ದು ಎಂದು ಹಾಕಿದ್ದಾರೆ.

Sri ANNA RAO GANAMUKHI.—May I know the benefits to the State from the factory?

Sri K. MALLAPPA.—The direct benefit is that it provides employment to a lot of people. Fertilisers manufactured would be distributed here and agriculture in the State would stand benefited.

ಶ್ರೀ ಸಿ. ಜೆ. ಮುಕ್ಕಣ್ಣಪ್ಪ.—ಮೂರನೇ ಪಂಚವಾರ್ಷಿಕ ಯೋಜನೆಯಲ್ಲಿ ಇದನ್ನು ಪ್ರಾರಂಭ ಮಾಡಬೇಕೆಂದು ಮಾಡಿದ್ದೀರಿ. ಈಗ ಒಂದು ವರ್ಷ ಕಳೆಯಿತು. ಇನ್ನೂ ಲೈಸೆನ್ಸ್ ತೆಗೆದುಕೊಂಡಿಲ್ಲ. ಇದನ್ನು ಮೂರನೇ ಪಂಚವಾರ್ಷಿಕ ಯೋಜನೆಯಲ್ಲಿ ಪೂರೈಸುವುದಕ್ಕೆ ಕಂಪೆನಿಯವರು ಮತ್ತು ಸರ್ಕಾರದವರು ಏನಾದರೂ ಪ್ರಯತ್ನ ಮಾಡುತ್ತಿದ್ದಾರೆಯೇ ಅಥವಾ ಇದು ಬರೀ ಕನ್ನಡಿ ಗಂಟೇ?

ಶ್ರೀ ಕೆ. ಮಲ್ಲಪ್ಪ.—ಆ ಬಗ್ಗೆ ಪ್ರಯತ್ನ ನಡೆಯುತ್ತಿದೆ. ಈಗಾಗಲೇ ಮೆಸರ್ಸ್ ಷಾ ವ್ಯಾಲೇಸ್ ಅಂಡ್ ಕಂಪೆನಿಯವರಿಗೆ ಲೈಸೆನ್ಸ್ ಕೊಡುತ್ತೇವೆಂದು ಹೇಳಿದ್ದಾರೆ. ಇದರ ಬಗ್ಗೆ ಇಂಡಿಯಾ ಸರ್ಕಾರದವರೊಡನೆ ಸೇರಿ ವಿಚಾರ ಮಾಡುತ್ತಿದ್ದೇವೆ.

ಶ್ರೀ ಎಸ್. ಎಂ. ಕೃಷ್ಣ.—ಈಗ ಅಲ್ಲಿ ಕಾರ್ಖಾನೆಯನ್ನು ಪ್ರಾರಂಭ ಮಾಡುತ್ತಿದ್ದೀರಿ. ಆ ಕಾರ್ಖಾನೆಯಲ್ಲಿ ಮೈಸೂರಿನ ಜನಗಳಿಗೆ ಪ್ರಮೋಷನಲ್ ಹುದ್ದೆಗಳನ್ನು ಕೊಡುವುದಕ್ಕೆ ಸರ್ಕಾರದವರು ಏನಾದರೂ ತಕ್ಕ ಕ್ರಮಗಳನ್ನು ತೆಗದುಕೊಂಡಿದ್ದಾರೆಯೇ?

ಶ್ರೀ ಕೆ. ಮಲ್ಲಪ್ಪ.—ತೆಗೆದುಕೊಳ್ಳುತ್ತಿದ್ದೇವೆ.

ಶ್ರೀ ಸಿ. ಜೆ. ಮುಕ್ಕಣ್ಣಪ್ಪ.—ಈಗ ಮಂತ್ರಿಗಳು ಇದನ್ನು ಮೂರನೆಯ ಪಂಚವಾರ್ಷಿಕ ಯೋಜನೆಯಲ್ಲಿ ಮುಗಿಸುವುದಕ್ಕೆ ಸಾಧ್ಯವಿದೆ. ನಮ್ಮ ದೇಶಕ್ಕೆ ಒಂದು ಫರ್ಟಿಲೈಜರ್ ಫ್ಯಾಕ್ಟರಿಯನ್ನು ಕೊಟ್ಟಿರುವುದು ಸಂತೋಷ. ತಾವು ಇನ್ನೂ ಲೈಸೆನ್ಸ್ ಕೊಟ್ಟಿಲ್ಲ. ಉಳಿದಿರುವುದು ಕೇವಲ ನಾಲ್ಕು ವರ್ಷಗಳು. ಇನ್ನೂ ಇವರಿಗೆ ಪ್ಲಾಂಟ್ ಬರಬೇಕು. ಅವರು ಕೆಲಸ ಪ್ರಾರಂಭ ಮಾಡಬೇಕು. ಆದ್ದರಿಂದ ಈ ಬಗ್ಗೆ ಸರ್ಕಾರದವರು ಕೈಗೊಂಡಿರುವ ಕ್ರಮವೇನು?

ಶ್ರೀ ಕೆ. ಮಲ್ಲಪ್ಪ.—ಈಗಾಗಲೇ ಮೆಸರ್ಸ್ ಷಾ ವ್ಯಾಲೇಸ್ ಅಂಡ್ ಕಂಪೆನಿಯವರಿಗೆ ಲೈಸೆನ್ಸ್ ಕೊಡಬೇಕು ಎಂಬ ಬಗ್ಗೆ ಕೆಲವು ಷರತ್ತುಗಳ ವಿಷಯದಲ್ಲಿ ಚರ್ಚೆ ನಡೆಯುತ್ತಿರುವುದರಿಂದ ಮೂರನೆಯ ಪಂಚವಾರ್ಷಿಕ ಯೋಜನೆಯ ಅವಧಿಯೊಳಗಾದರೂ ಈ ಕಾರ್ಯವನ್ನು ಕೈಗೊಳ್ಳುತ್ತೇವೆ.

Sri C. J. MUCKANNAPPA.—Is there any delay on the part of the Government in starting it?

Sri K. MALLAPPA.—Absolutely no delay on the part of the Government.

Sri C. J. MUCKANNAPPA.—Is it not the duty of the State Government to press the Centre to issue the licence early and ask the persons who have come forward to start this plant to go ahead as quickly as possible?

Sri K. MALLAPPA.—It is being done with all expedition.

Sri G. VENKATAI GOWDA.—Can we take it that all the fertilisers produced in this plant are going to be utilised in the Mysore State only?

Sri K. MALLAPPA.—It is for that very purpose the that fertiliser factory is to be started in Mangalore.
